We meet at 11:30 for open networking. We start our structured meeting at 12 Noon.

We are a strong group of local professionals dedicated to helping members grow their businesses. Whether you're in the real estate industry, direct sales, or service provider... we'd love to see you there.

We believe business success is built on strong professional relationships and supporting one another. We meet weekly to build relationships with other valley professionals, exchange referrals and learn about member businesses.
